Dear Sirs,

*During the last twenty years our Company, Trade Art 2000 S.p.A., has raised a significant experience in the medical device market.*

*Many customers, both public hospitals and private radiology centers, have expressed the need to perform their clinical and diagnostic activities in geographically uncomfortable territories. Trade Art 2000 S.p.A. was then ready to fulfill the target, providing high technology solutions, by cooperating with CVS srl.*

*Over the years, the partnership between these companies allowed us to satisfy different kinds of clinical needs, in the field of mobile units for healthcare. Nowadays we can offer solutions in the following clinical application fields:*

- MRI
- CT
- Mammography
- Ultrasound
- Gynecology
- Transfusion Medicine
- Oftalmology
- Haemodialysis
- Dentistry

*CVS srl guarantees the service and maintenance of the mobile units, in accordance with the high quality and technical standards, which represent their main goal.*

*In case you need any further information, do not hesitate to contact us.*

Best Regards

Trade Art 2000 S.p.A.
